** “Below Market Rate” means an interest rate available on eligible homes that is below the Freddie Mac Primary Mortgage Market Survey® (PMMS®) national average for a comparable mortgage product. Special financing is available only on certain inventory homes, may vary by location, and is not available in all communities. Rates available to individual borrowers may vary based on loan program, loan terms, property, borrower qualifications, and other factors. Subject to certain terms, conditions, and restrictions. See the Sales team in your desired community for specific details. Buyer is not required to finance through seller's affiliate Pulte Mortgage LLC (NMLS 1791); however, the below-market rate is based on participation in the Affiliate Incentive Program, including financing through Pulte Mortgage LLC and the application of incentives toward closing costs, including any discount points. Availability is limited and offered on a first-come, first-served basis. Some buyers may not qualify for this loan or rate. A higher rate or additional discount points may apply based on applicant characteristics and loan terms at the time of rate lock. This offer may not be available in all areas or for all homes and may not be combined with other offers or discounts. Rates, terms, conditions, incentives, and availability are subject to change without notice. Property must be purchased as a principal residence.
